To our friends at CARROLL,

Thank you so much for your recent donation of \$2,000.00 to the Atlanta Community Food Bank. Our community is in crisis and the support you have provided towards our mission will truly allow us to make a difference in the lives of our friends and neighbors facing untold hardships and uncertain futures.

Before COVID-19, more than 785,000 people in our region faced the prospect of not having the food they needed to thrive. Unfortunately, the issue of hunger in our community will only grow worse in the weeks ahead as our economy begins to suffer and people lose their jobs.

While our core work remains, your gift is helping to fuel the Food Bank's emergency response to COVID-19 by:

- **Purchasing additional food to support emergency food distributions**
- Providing groceries to children and families who are facing the loss of school meals and wages due to closures
- Adding special mobile pantries in high-need locations around our 29-county service area
- Equipping vulnerable neighbors to find the food they need through both web- and text-based pantry locator tools.

We will continue to keep you updated on the latest developments around our response efforts. To stay abreast of additional ways you can help, please follow our social media channels and check our website at www.acfb.org.

Again, thank you for your dedication to our community and the people we serve! You are integral to our efforts and what you do serves as a beacon of light in these difficult times.

With my deep gratitude,
