Dear Friends of the Food Bank,

Thank you for feeding children, seniors, and families struggling throughout Volusia County. Right now our community is facing an unprecedented emergency. Your very generous gift of \$2,000.00 received on 4/13/2020 is already providing meals for those facing prolonged school closures, layoffs and business closings. I want to share with you just one story of a family facing uncertain times ahead.

Like many of our neighbors in Central Florida, Carlos works in the hospitality industry. Without guests filling hotel beds, workers like Carlos have had their hours cut and, in some cases, been laid off as a result of the coronavirus. **“I’ve never asked for help before. I didn’t know where to start,”** he explained. Carlos’s main concern was for his two school-aged daughters who rely on breakfast and lunch at their elementary school. With school closures, rent due, and other bills starting to pile up, Carlos and his wife faced several tough choices. The economic impact on our community has been tremendous and may only get worse. We are so grateful that our neighbors can count on you to help them right now. Each meal provided is giving a family much needed relief.

Thank you for choosing to give during this time of especially great need. Because I know fighting hunger is important to you, I’d like to invite you to visit our website at www.FeedHopeNow.org to read the latest information and for a full list of ways to get involved. I’d love to speak with you as well and can be reached at 407-514-1017.

I know that we will get through this together as a community.

Sincerely,

Dave Krepcho
President/CEO
