Together We CAN End Hunger

April 27, 2020

Dear Friends:

Thank you for helping us feed hungry neighbors!

As we take time to reflect on how much progress has been made in our mission to end hunger, we are happy to report that the 2018-2019 fiscal year was another very successful one thanks to donors like you. We have attached a copy of our Report Card for the year for your review.

While we hope you are pleased with the accomplishments of the last year and all the numbers, the number we should be focused on is zero: zero hungry children, zero hungry families, zero hungry seniors, zero hungry veterans and zero hungry pets. Knowing there are still almost 527,000 people living in poverty in our service area drives us to work harder to feed more hungry neighbors every year. Your ongoing support will help to continue to feed all of those in need throughout our region.

**In Mecklenburg County, Second Harvest Food Bank provided 12.8 million pounds of food and household items to partner agencies in 2018-2019. It would not be possible without your contribution. Thank you for helping to feed hungry neighbors.**

Thank you for your online donation. We are so grateful for your help. I welcome your questions or concerns and hope you will email or call me anytime.

Sincerely,  
*Kry Carter*
